The Tulsa Regional Chamber, CommunityCare, Delta Dental and MetLife have taken the significant changes facing small businesses as a result of the Affordable Care Act (ACA) and structured a program that creates a solution to ACA's challenges and also provides a portfolio of employee benefits and services previously only available to large employers.

The program is called **ChamberCare Plus** and is designed for small business chamber members with 2-50 employees.

## **TULSA REGIONAL CHAMBER**

### **Tulsa Regional Chamber Membership Information**

ChamberCare Plus is available to chamber members with 2-50 employees in Tulsa, Creek, Muskogee, Okmulgee, Osage, Pawnee, Rogers, Wagoner or Washington counties.

As a member of the Tulsa Regional Chamber, you will be part of the largest business leadership organization in the region – serving as an integral part of what makes our community a great place to do business, raise a family and visit.

Be a part of it. More than 2,000 organizations – representing 175,000 employees – have taken advantage of the benefits of the Tulsa Regional Chamber. Members are provided with nearly 70 networking and educational opportunities through informative special events each year. Weekly, monthly and annual publications keep members informed about issues impacting the business community and economic prosperity.
