CONNECT

ANNUAL INVESTMENT \$895+

A Chamber membership investment is the first step toward greater visibility among new customers, contacts and the wider community. We help Connect members build their businesses with exclusive opportunities and resources tailored to smaller companies.

"Our services are centered around people - empowering, uplifting, and enabling them. We use software to accomplish that, but the Chamber does it through genuine human connection and by creating opportunities for business leaders in the Tulsa area to have a platform for building relationships and partnerships with one another. You're not just a number or another place to collect a yearly due - you matter, and their investment in you provides a fast track to making an amplified impact on the Tulsa community at whatever pace aligns with your goals."
