

CONFERENCE ROOM SPONSORSHIPS

TULSA REGIONAL CHAMBER

Tulsa Regional Chamber conference sponsorships provide your company with brand awareness and publicity among the region's community and business leaders. The Chamber's sponsored conference rooms are frequently used for board meetings, committee and task force meetings, prospect, development, training, team meetings and more. All room sponsorships include name and logo recognition and will run from January 1, 2023 to December 31, 2025. Sponsor may decorate the room to enhance brand recognition at their expense with approval from Chamber's executive office. Deadline to renovate room as part of the sponsor agreement is January 1, 2023.

Please email Britain Walker at britainwalker@tulsachamber.com or call 918.560.0201 for more information on sponsorship opportunities.
