

TULBIZPAC

CALL TO ACTION

Dear Business Leader,

The decisions made at City Hall have a direct impact on the success of our businesses and the future of our region. From public safety and infrastructure to economic development, housing, permitting, workforce, and neighborhood investment, the Tulsa City Council plays a critical role in shaping the environment in which our businesses operate and our community grows.

This is why we encourage you to stand with Tulsa's business community by:

- Voting on **Tuesday, August 25**.
- Supporting the Tulsa BizPAC endorsed candidates.
- Sharing these endorsements with your colleagues, employees, friends, and family.
- Encouraging others to make a plan to vote.

Following a thorough review of the candidates, interviews, and evaluation of their commitment to policies that strengthen Tulsa's economy, **TulsaBizPAC** is proud to endorse the following candidates for City Council:

District 2: Anthony Archie

District 3: Jackie Dutton

District 9: Pete Regan

District 7: Lori Decter Wright

District 5: Karen Gilbert

These candidates have demonstrated the leadership, vision, and commitment to responsible governance that our city needs. They understand that a strong economy, safe neighborhoods, reliable infrastructure, and a healthy business climate benefit every Tulsan. Their leadership will help ensure Tulsa remains a place where businesses can invest, entrepreneurs can succeed, and families can thrive.

Local elections often receive less attention than statewide or national races, but their impact on our daily lives is immediate and they are frequently decided by just a handful of votes. That means the business community has the opportunity to make a real difference.

The future of Tulsa depends on engaged citizens and strong leaders. Together, we can elect candidates who will champion policies that foster economic opportunity, encourage investment, strengthen public safety, and position our city for long-term success.

Thank you for your continued commitment to Tulsa and for making your voice heard at the ballot box.

Sincerely,

Tina Parkhill
Chair, Tulsa BizPAC
